17 **I, MICHAEL GIANNANTONIO (a/k/a MICHAEL DAVID TURLEY), on behalf of**
18 **myself, and SUMMITSTAR ENTERTAINMENT, et al. ("SummitStar"), and NITEFIRE**
19 **ENTERTAINMENT ("Nitefire"), being first duly sworn, deposes and says:**

20 1. I am the principle of NITEFIRE and SUMMITSTAR and, as such, am authorized
21 to make this Affidavit.

22 2. In the performance of my duties, I have been charged with the care and custody of
23 Nitefire's and SummitStar's records regarding the issue before the Arizona Corporation
24 Commission and am familiar with said records.
25

1 3. In mid- to late-2005, I wrote a script entitled "The Stromboni's" (the "Script").
2 After showing the Script to certain individuals, the response was overwhelmingly positive and I
3 decided to attempt to get funding for the film.

4 4. In late-2005, I registered a domain name for a website to promote the Script. To
5 construct the website, I purchased a soft-ware program called Microsoft Frontpage
6 ("Frontpage").

7 5. I started to design the website using Frontpage. While creating and posting text
8 for the website, I believed that what I was entering was being displayed only on my personal
9 computer. However, in actuality what I was entering was being displayed on the website to
10 anyone having access via the internet.

11 6. In December of 2005, I was made aware that the text was actually being displayed
12 on the website.

13 7. On or about December 13, 2005, I was served with pleadings from the Arizona
14 Corporation Commission ordering myself and other Respondents to cease and desist from the
15 improper solicitation of securities.

16 8. I immediately removed the entire website from the internet.

17 9. During the time that the information was inadvertently on the website, only two
18 (2) calls were generated.

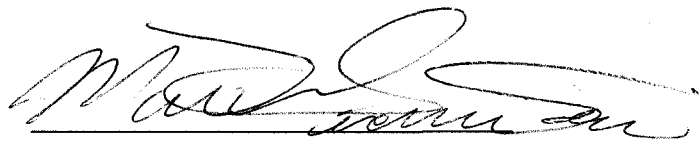

19 10. However, based upon information and belief, both calls were not prompted by
20 information on the website; rather, the calls were generated by pre-production activity conducted
21 by my partner, Stephen Lee Hugo. Mr. Hugo merely had given them general plot information
22 and had not discussed investment in any way.

23 11. Other than the two (2) phone calls referred to above, there have been no other
24 calls and no investment dollars were ever collected.
